Machinery & Equipment Valuation Support

About Us

Knowcraft Analytics is pleased to introduce dedicated offshore support for U.S. valuation firms performing Machinery & Equipment (M&E) appraisals. Our team expands your capacity, reduces turnaround times, and strengthens the analytical depth of your valuation reports.

How We Support M&E Valuation Practices

Certified professional with **CMEA** credentials.

Accurate and **defensible** M&E valuation inputs supported by M&E assessment, cost analysis and detailed market research.

Confidential, structured, and process-driven **research**.

Ability to prepare **USPAP-compliant appraisal reports**, including standards and premises of value (FMV, OLV, FLV, etc.).

Fast turnaround, supported by our scalable offshore model.

Deep knowledge of **U.S. valuations** and industry standards.

Our commitment to quality, data security, and a strong company culture.

Who Requires M&E Appraisals?
